Panel Discussion followed by 'live' demo of Forum

Unlock the future of creative and print production in this fast-paced panel discussion exploring how web-to-print, Monday.com, and smarter management information are transforming the way studios and print providers work. Hear from our members and industry experts as they reveal how connected workflows, automation, and real-time data are driving efficiency, creativity, and growth across the sector. The panel will address your questions/concerns, if you're ready to streamline operations and elevate your client experience, this is the conversation you won't want to miss.
